

64th HUON SHOW

13 November 2010

How lucky was the Huon Show Committee to have the one fine day between two wet days.

Despite overcast skies and threatening rain, the 64th Huon Show enjoyed a rain-free day. Crowds arrived early and the Gate once again exceeded the 10,000 patrons. This figure has remained steady but one day, it is hoped that the magical total of 11,000 will be reached.

A feature of the Show was the amount of agricultural machinery present. Agricultural firms are to be commended on supporting the Huon Show. The Grand Parade was a spectacle. The Telstra Road to Tamworth drew a crowd and the Dog High Jump with 23 dogs was a highlight. 28 Utes took part in the Ute Competition and added to the 'new-look' arena. With the horses (apart from heavy horses and showjumping) being moved off the main arena, this has opened up the area to be more 'user' friendly. The Tassal Entertainment area featured Make Believe Entertainment, Pelican Puppets, Reptile Rescue and the BB Beetles circus troupe. Scouts and Guides also were accommodated in the area.

Cattle section numbers were down slightly but numbers were made up with a large number of Alpacas, Commercial Cattle and sheep being entered. Returning to the Beef Section were Cherry Tree Shorthorns and Cheryl Tapp. A new exhibitor, Bayswater Angus Stud also exhibited. Over 130 horses entered for the Show with a total of 513 entries.

Many favourable comments were received and it is hoped that this Show will continue to grow but still retain the uniqueness of being a friendly country Show.
