Grounds: 152 Howden Road, Howden

Attached herewith are the final results for the above event. Unfortunately during the post checking and getting the results into a format suitable for distribution several more errors were found that have changed some of the ribbon places as well as the winners of two trophies being the “Casa Real Trophy” and the “Sutherland Trophy”.

The Huntingfield Pony Club as host for this year’s event on behalf of the Southern High Schools and Colleges is both deeply embarrassed and sorry that these errors have occurred. **There is no excuse, we got it wrong!** We fully appreciate the effort Riders put into competing at this event and the pride they feel when awarded a trophy and a ribbon only to find out a day later there have been scoring errors and they were not the winners or place getters respectively.

The changes to the results that were announced on the day are;

Casa Real Trophy		
Place	As Originally Presented	As Corrected Position
1	Mackillop 1	Mt Carmel
2	Ogilvie	Mackillop 1
3	Friends	Ogilvie
4	Mt Carmel	Friends

Sutherland Trophy		
Place	As Originally Presented	As Corrected Position
1	Mackillop 1	Mt Carmel
2	Ogilvie	Mackillop 1
3	Friends	Ogilvie
4	Mt Carmel	Friends
5	Southern Christian College/ Mt Carmel / Clarence Scramble	Southern Christian College/ Mt Carmel / Clarence Scramble
6	St Marys College	St Marys College

Huntingfield has ordered new ribbons and these will be forwarded to the correct place getters as soon as they arrive. We ask that Mt Carmel and Mackillop College liaise between yourselves for the handing over of the trophies and that you make the appropriate presentation at your school assemblies etc.

For those Teams and riders who have been relegated further down the winning list we are sorry and hope that as per the sportsmanship you demonstrated on the day you will understand our decision we have had to take to make right.

For the new winners we congratulate you on your great effort and apologise that you did not have the opportunity to receive the trophies and ribbons at the event in front of your fellow competitors.

We should also make special mention of those riders who handed back their ribbons during the presentation when it was discovered at that stage that the first of several errors had been made. You all did this with dignity and respect to both Huntingfield and your fellow competitors. Your Schools should be justifiably proud of you.

The Schools Event has always been a very difficult event to score and this may be a catalyst for all the Southern High Schools and Colleges as both custodians of the original charter for this event and whose responsibility it is in running this event to meet and maybe revisit the rules of the event. This could also include preparing supporting documentation that has been handed down verbally over the years to assist future organisers and hosts.
