DC Report

Hi All

Wow another month gone by already, is it just me or is this year whizzing by!! Firstly I would like to congratulate our Games Teams on an awesome job on Sunday which saw Huntingfield winning the A Division with Brighton following a close second to make for a very exciting competition (sorry to anyone sitting next to me for the sore ears!) Our A2 team took out the 4th place as did our B team and it so great to see such enthusiasm and club spirit and hope that you all want to do games again next year. On behalf of the Club I would like to say a huge thank you to Mike Smith once again for taking on the responsibility of getting the teams organised and coaching the A team also to Nicole & Liz Elliot for coaching the A2, Tamika Shea for coaching the B team and Amanda Jessup helping out with the B team on the day, also thank you to those that were lane stewards and gear stewards. Also a big thank you to all the families that were there supporting the kids and the Club, we were well fed and watered all day, thanks to everyone who contributed and made it a really fun Mothers Day, that's what being part of a club is all about – Great Friends, Great Food and loads of Fun!!

Our A2 team will now be going off to the State Games competition at the end of the month to be held at Gravelly Beach, so anyone who would like to come along on the road trip north to support the team is most welcome to join us. Good luck to the Team and GOOOOO HUNTINGFIELD!!

Next biggy on our club calendar is, of course, our 50th Birthday Celebrations. We are looking forward to seeing everyone at the grounds on Friday night to celebrate the big 50 and also to christen the shed. Libby Shea and Anne White having been working hard to make sure we all have a scrumptious dinner, and the shed committee have been working flat chat to get it finished on time so it would be great to see as many of you as possible there to be able appreciate and enjoy the hard work of so many of our members. Then we have our 50th Rally on Sunday, it was exactly 50 years to the day on Sunday that the club was started, isn't that amazing. It is with a big Thanks to Barb Cook for all her research and her amazing record keeping that she has managed to collect some interesting memorabilia; photos etc which we hope to have on display on the Friday night and Sunday. It really is a fantastic and historic time to be part of Huntingfield with all the developments at the grounds and the 50th celebrations, you all have now also played a part for future generations to look back on, maybe in another 50!

Well that's about all I can think of at the mo so hope I haven't forgotten anything or anyone and hope to see you all soon.

Cheers

Steph☺

BIRTHDAY RALLY REMINDERS – regardless of the weather

Can all members please wear their full formal uniforms, blue jumper, shirt & tie as we would love a club photo to include in the book.

Also there is a couple of things planned for the arvo, so even though there are no lessons planned for after lunch we would still like all the families to stick around.

From the President

AGFEST 2011

A lot of our members and families enjoyed one of the 3 magnificent days at Rural Youth's 2011 Agfest at Quercus Park. This event is a real credit to our Rural Youth who all volunteer hundreds of hours to make this such a leading Rural Field Day on the Australian Rural Calendar. Some of these volunteers have been onsite every weekend for the last 4 months and non stop for the last 10 days. Huntingfield should be doubly proud of six of these Rural Youth Members as 6 of them are our own senior riders! Natalie McIndoe had the very busy and stressful portfolio of Assistant Director of Accommodation and Personnel, Linda Cornelius Assistant Director Equine Display and general volunteers Nicole Elliott, Tory Percival, Meg Kluver-Jones and Amanda MacDonald.

GET WELL SOON STEVE Steve Percival who has done so much for the club in recent years to get the Shed a reality was unfortunately a victim of an Industrial Accident on Macquarie Harbour a few weeks ago, resulting in him breaking his lower leg which then led to a few nasty complications. I am pleased to report that after a long stay in hospital including sometime in ICU he hopes to return home in the next few days. Everyone at Huntingfield wishes Steve a quick and complete recovery and hope to see him back at the Club real soon!

CLUB ROOMS Everyone will be rapt to see how much the Club rooms have progressed since the last Rally. Although not completely finished it will be operational for the Golden Jubilee Celebrations this month. This would not have been possible without the Leadership and dedication of Chris Hazell who has taken this project under his wing. Chris has been ably assisted in recent times by Ashley and Josh Dales of Access Solutions and Chris' own employees at Spectran. During this time Bruce Fyfe has also fitted out the entire club rooms electrically at no cost to the club. Vince Grimes has volunteered a day painting. Ann White has helped with odd jobs, varnishing

and general run about. There were also other members helping at the last Rally. Thanks to you for a great job.

COMPETITION SCORING IN the next few months Southern Zone is hoping to run a workshop on Scoring using a software package that is currently used at most major competitions throughout Australia. It can be used for Dressage Days, Show Jumping Days, ODEs and can also take into consideration Teams etc. It would be good to get at least 3 or 4 Huntingfield Parents to participate in the workshop so we can make the most of this software in the future. If you're interested, please let our DC know.

Birthday Wishes for May

RIDER PROFILE

Your name and age: Winona Davis, 14

Your horse's name and age: Shadow, 16

Your horse's funny habit: When Shadow sees me going to the car he neighs and gives me lovey-dovey eyes. It's like he thinks that the car is some kind of magic carrot box.

Best Pony Club memory: My first rally, jumping cross-country was so much fun.

Favourite Equestrian discipline: I love Eventing and Dressage.

Future Equestrian plans: I want to do grade 4 eventing.

Personal Best Achievement: Getting a blue ribbon at Monmouth ODE on a horse that hadn't evented before.

Most embarrassing moment: I was jumping a log one day and my pants split right down the middle.

Your favourite horsy item: I loooooove my new float and also my very comfortable saddle.

Best advice anyone has given you: It's the most difficult horses that have the most to teach you.
