DC REPORT

It's been a bit of a whirlwind for me in the last month or so: I've gone from gear checker and committee member to now D.C!

It is a pretty terrific (and terrifying;)) opportunity for me to get to know all of our members a bit better and to

work with such a fantastic and supportive group of people in the committee and in our awesome club.

I hope you can bear with me whilst I find my feet, and please forgive me if I forget your name or to do something, shoot me an email or please don't be afraid to tell me, I won't be offended!

As I said, this really is a great club, with so many positives, and I am really optimistic that we can go from strength to strength, both in the competition side of our sport and in the shared love of the sport and animal that brings us all together.

I would personally like to thank our outgoing DC Steph McIntosh for her support during this transition, I'm sure she will be on the receiving end of many more phone calls all of which she deals with very patiently and I am very grateful for her help and expertise.

The next few months are busy ones in the lead up to the eventing and showing seasons with bringing our horses back into work, getting those winter coats out and dealing with the general silliness of spring. Our first big event of the season is The Royal Hobart Show in October, I will put a sheet out at rally calling for interest in entering team of three and show jumping. Have a go!

I look forward to seeing you all at rally,

Annalise!

PRESIDENT'S REPORT

“There will come a time when you believe everything is finished. That will be the beginning”

-Louis L'Amour

It is a new year for the club and if the success of the Annual General Meeting is any indication, we can look forward with confidence to a great year ahead. As I said in my speech on August 3rd, while we are largely consolidating the excellent work undertaken over the last few years in building up the physical infrastructure of the club, our challenge now is to begin again to work towards the future for all of our members and for those who are yet to come.

A pivotal part of our new beginning is the contribution of our new District Commissioner, Annalise Travalia. Annalise's competent, measured approach will serve the club very well. I know that she will

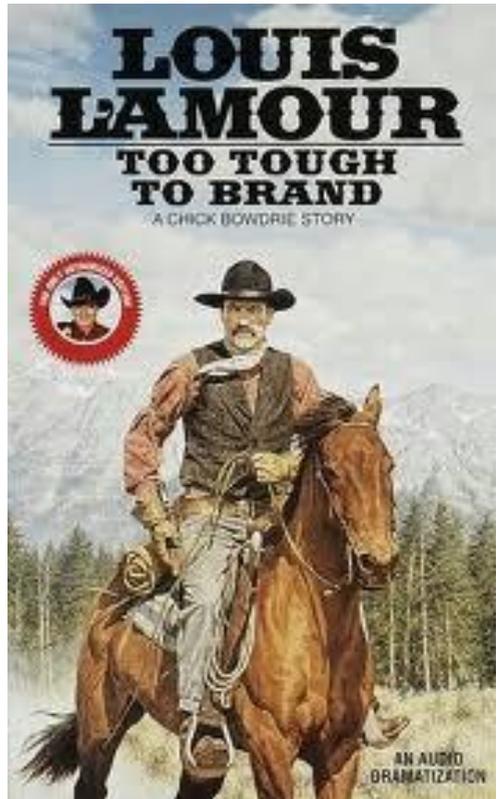

work closely with a highly supportive Committee as we begin to prepare the Club for a new season. I want to acknowledge the magnificent contribution of our former DC, Stephanie McIntosh and I am pleased to note that Stephanie will remain an active member of the Committee so as to assist with the transition process.

It's important as we begin anew that we keep the best of the past and be prepared to refresh those parts of the club in order to serve our common purpose. On one level the work on the building of the new Cross-Country Training Course will be the first physical manifestation of this in the new year. I want to acknowledge in advance the work of Phillip Davis and Lisabeth Elliott in this exciting work. Further initiatives will be announced by your committee in coming months.

I hope you agree that our future looks bright, Please remember I am here to serve you and our members, so please let me know if you have any suggestions or comments to strengthen what is already a remarkable club.

I look forward to seeing you at rally.

Adam

JUNIOR COMMITTEE REPORT

Thanks to everyone who came to our Parents and Friends Fun Day on the 11th August :) There were four different categories for the day: Pole on the Ground, 30cm, Grade 5 and Grade 4, with everyone competing in an ODE style day.

The jumping phases were designed by the Junior Committee and we had some rather interesting freestyle dressage tests. Some highlights of the day include: the sighting of Australia's shortest necked giraffe, upon which sat a brave mother of a Huntingfield rider; the beautiful princesses with their noble but cheeky steeds; and some creative awards and chocolate for everyone.

At the end of the day, after stewarding the cross country in the rain, setting up show jumps at the last minute and having to be all over the place helping people, the members of the junior committee were pleased, not only for everything to have run smoothly, but also to be heading home before 2pm

Hearing positive comments from many riders made the day even better, and it is certain that junior committee members now have a greater respect for the organisers of ODEs!

RIDER PROFILE

Riders name and age: Isabel Scanlon, 13

Horses' names and ages: Puzzle 10, Oki Doki 3, Remo 4.

Favourite equestrian discipline: Mounted Games

Funny habits: Puzzle thinks it's funny when we are doing a dressage test to stop and go to the toilet. He also does this after the bell rings when we are show jumping.

First horse:
Her name was Shanameer Anwen. She was an 11.2hh welsh mountain pony.

Funniest PC memory:
When my pony, Niko, rolled on me after riding along the beach at my first Monmouth camp. I was scared he would do it again so I walked back to the camp site on foot.
