

Huntingfield

October Bulletin 2012

President's Report

Dear Friends

As inconceivable as it is to believe we are beginning another busy season of eventing and showing. It seems like yesterday that we were slowing down, and yet here we are again. A huge thanks to the new

six. So if you know some junior riders out there encourage them and their parents to join the club.

Finally I, on behalf of the club, we wish to thank Robyn McQueeney for her terrific efforts on our newsletter. Her

Committee, the members of which have happily engaged with the myriad of work, which mostly goes unseen, to keep the club going.

As you read below there is lots to get involved in and I welcome your input in strengthening our fantastic club. One point particularly worth mentioning is that the club will now accept new members from the age of

shoes will be hard to fill, but the newsletter needs a new editor so if this is something which you could assist with, please let Annalise, Robyn or I know.

I look forward to seeing you at rally.

Adam

Huntingfield Hoofbeats - new editor needed.

A very big thank you from everybody at the club to Robyn McQueeney for her wonderful work with our newsletter over many months. Robyn is unfortunately unable to continue with her work with the Newsletter, hence why we have this very inferior bulletin in it's place! We are looking for somebody else to take on the job of Newsletter person, if you would be willing to give it a go, please talk to Annalise, Adam or Robyn.

Spring Show

Our recent Spring Show was a great success and a fun day for all involved. Thank you to Ulli and Rosie for all their hard work organizing and running the show. A big thank you to all our judges including Liz. Thanks also to all our usual helpers, both young and old, who worked tirelessly through-out the day. Congratulations to our winners and to everybody who competed.

Congratulations!

Congratulations to our wonderful Treasure Fiona and her fiancé Ron, who are getting married this Saturday. We wish them every happiness in their future life together.

Congratulations also to Ellen McIntosh who has just come back from Nationals in Queensland. A little bird told me that Ellen not only rode beautifully but she was also a joy to have on the Tasmania team with her helpful, supportive and happy attitude. Well done Ellie and Steph!

The Royal

The Hobart Royal Show is on again next week. Good luck to all our competitors. It would be great to have as many Huntingfield supporters there on

Thursday as possible, to cheer the team on.

New Joining age for Huntingfield

Based on the recommendation of the Committee and agreed by membership at our September rally, the club has decided to lower our membership age from 8 years old to 6. Please tell all your horsey friends. We are looking forward to having some little people joining us very soon.

Ideas for Clubhouse

Hi everyone, A few of us have had an idea to brighten up the Club Room and to make it more special for all the riders.

So if possible, could all riders please bring an A4 framed photo of themselves with their horses, and put their name on the back of it. Frames can be bought very cheaply at Big W. They will be hung on the wall, just to make the clubroom more interesting and to add a personal touch!

It would be great if everyone could bring a photo along to the November Rally, so we can have a majority of them up before the Christmas Rally.

The Hazells :)

New Rosters

Lots of our wonderful members have been asking how they can help, especially on the very busy rally days. Lots of people work for many days before the rally and tirelessly on the day to ensure everybody has a good time and enjoys a delicious lunch!! We have decided to spread the load just a bit, by putting together a couple of rosters in addition to the Canteen Roster. We would encourage the rider or riders of the family to undertake these tasks because Mum and Dad have worked hard enough already but as long as a family member completes the task, everybody will be happy and you won't have to do it again for months and months!!

Canteen Roster

OCTOBER: Handbury and House

November: Jefferies and Kluver-Jones

December: Lovell and McIndoe

Sweeping Roster (Clubroom and deck at the end of Rally)

October: Ayton

November: Christian

December: Dambacher/ Raffety

Rosters Cont.

Bins and Toilet (Clean bathrooms and take down bins to gate at the end of Rally)

October: Brennan

November: Cornelius
