Huntingfield members off to Australian Interschool Equestrian Championships

HPRC members Breanna Triffitt and Samantha Mitchell, as well as Jess Price, are part of a 22 member Tasmanian team who are competing in this high profile national event. The event covers dressage, eventing and showjumping. The girls have earned their hard fought positions in the showjumping discipline and have been selected based on SJT qualifiers and proven ability. The event runs from 29th September – 3rd October in Werribee, Victoria and the cost of the trip is borne by the competitors, so a big effort is required to get there from Tasmania. Some of the girls are also competing in other interstate competitions along the way, such as the Borneo Park Cup (12-14 Sept) and the Australian Showjumping Championships (18-21st Sept). We wish them the best of luck in this chance of a lifetime and we hope you have an amazing time, and look forward to hearing about your wonderful experiences!

Event Update

Congratulations to everyone who competed at the first **ODE** of the season at Monmouth last weekend, HPRC was well represented amongst the placegetters, and as always, the team spirit and support was alive and well.

Our **Winter Woollies Dressage Series** wrapped up this weekend, and it was a great success with some great feedback on the organisation and overall running and feel of the three days. Huge thanks to Nicole Elliot for being the driving force behind this, and thanks also to our judges, pencilers, marshalls and other regular helpers (you know who you are!)

It's not too late to enter the **Royal Hobart Show**. Entries now close Monday. Huntingfield are still looking for participants in Teams of Three, Show Jumping & Games. Please email us or come and talk to us at rally if you're interested.

Remember to get your entries in for SJTK **Spring Showjumping Festival** – entries close 23/9.

HPRC Spring Show will be on November 2nd – save the date!

NEW MEMBERS

At the September rally, we are delighted to welcome to their first “visit” Noah Rigg and Anika Piket. We also have some visitors from Huon attending – Keryn & Hamish. Please make them feel welcome.

LIFE MEMBER TEAMS & GEAR CHECK

Those of you who have been members for a while would recall our “Life Member Teams”. These teams, named after HPRC Life Members, are similar to a “house” where you can earn points for your group by participating in events & teams, completing efficiency tests and general things such as attending rallies and working bees, or just helping out! You also assemble in you group for gear check each rally at a coloured drum. One of the aims is to foster team spirit across age / ability groups, and to support and mentor each other. The team with the most points at the end of the year wins the “Life Member Trophy”. These teams are being re-introduced from September so please check out which group you’re in upon arrival!
